*National Contract Resources

PNW Center Managers Advisory Council/Committee
VIPR Resources Only - ROSS Resource Item vs. Fill with Agreement

Status Decisions

- 1) Dispatch Centers will actively status all VIPR contract resources that are entered as a "Resource Item" in ROSS.
- 2) Each Dispatch Center will determine their own method or methods on how contractors will report their status to their host Dispatch Center. This may include phone, fax, email, and/or web status or any combination thereof.
